Company Profile

Welcome to the **HILLTON** - Versatile modular kitchen baskets and accessories.

The kitchen is the heart of every house, there will never be a day in your life when you won't have a reason to enter the kitchen.

It is where the meals are created - it fuels the bodies, minds and souls of friends and families all over the world. Your kitchen is a bonding area that not only ties your home together, it ties your loved ones together.

The importance of the kitchen depends on the size, how well organised along with the design of your kitchen.

But if your kitchen is not done properly, would you even enjoy making the meal?

Hillton brings you the solution to organise your kitchen with modern solutions to help your kitchen and you feel like heart of your home.

Since 2008 we are the regional players in Modular kitchen baskets, from time to time we have upgraded the design and creativity with the design as per the customer requirements. Hillton Products are available at major counters in south India.

We can manufacture custom size & design within 24 hrs and the wire baskets are electro polished (Food Grade), also available in 304 grade Stainless steel.

*If you are thinking of transforming a kitchen, make sure that you elevate your life style too!! with **HILLTON**.*
